**Re: Right to Know Law Request No. 19-0518**

Dear Requestor:

This letter acknowledges receipt by the Pennsylvania Department of Transportation ("PennDOT") of your written correspondence, which is being processed under the Pennsylvania Right-to-Know Law ("RTKL"), 65 P.S. § 67.101 *et seq.* PennDOT's Office of Open Records logged your correspondence as received on July 5, 2019.

You requested the following:

- 1) A list, preferably in a table, of driver license applications submitted in the state of Pennsylvania between Jan[.] 1, 2014 to present by people born in Puerto Rico. This should include the date the application was submitted, the person's current residence, their birthplace (Puerto Rico) and if the application was approved, pending or denied and the reason why it is pending or denied.
- 2) A description of the process and/or policies used to verify the eligibility of people in Puerto Rico for a driver's license in Pennsylvania.
- 3) Copies of all materials and/or instructions used to verify the citizenship of people born in Puerto Rico.

You are hereby notified that, for the reason set forth herein, I have determined that PennDOT requires up to an additional thirty (30) calendar days, i.e., until August 11, 2019, in which to provide a final written response to your request in accordance with Sections 902(a) and (b) of the RTKL. 65 P.S. §§ 67.902(a)-(b). PennDOT requires the extension to make a legal determination whether the requested documents are records subject to access under the RTKL. 65 P.S. § 67.902(a)(4).

If this extended deadline for PennDOT's final response falls on the weekend (as is the case here), a Commonwealth holiday or any closure of Commonwealth Offices, your response may be sent to you the next business day.

If you have any questions regarding this letter, please contact this office at the e-mail address below or by mail.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Gargiulo". The signature is fluid and cursive, with the first name "S." and last name "Gargiulo" clearly distinguishable.
